IT

Igor Kudybyn joined the PKF hospitality group in 2020 and is based in Kyiv. In his present capacity as an IT Coordinator, he is responsible for database development and administration of the group's technical infrastructure.

Prior to joining the PKF hospitality group, Igor worked as a leading engineer within the department of applied hydrodynamics at the Institute of Hydromechanics of the National Academy of Sciences of Ukraine. He was responsible for building websites and web-based interfaces for data processing and visualisation. He worked on the development of user-friendly software for mathematical modeling.

Igor holds a master's degree in physics from the Ivan Franko National University of Lviv, Ukraine. He is experienced in a variety of program languages, including HTML, CSS, Javascript and Python.
